Dear Friend:

I have had this envelope addressed for a long time. I had planned to write and thank you for your kind cooperation when we played in Brooklyn May 21st. I am a little late, but I do want you to know I am very grateful for the efforts you put forth. I know you used a great deal of your leisure time. The only bad thing is The Eagles let you down. It was just one of those bad days. Dahdridge, one of the best ballplayers living, looked like two cents. I have noticed ball clubs usually look badly when they first get home from a road trip.

I suppose you have heard we are back in Ebbetts Field July 4th. I do hope we will redeem ourselves. We are combining the ball game with bond selling. We have been given a pair of Joe Louis's gloves to give to the highest bidder. Your Mrs Margaret Brown is the chairman of the greater New York Committee that is trying to raise money for Mrs Bethunes program to buy a Liberty Ship, named after Harriet Tubman.

If you will be able to come out, let me know and I will send you tickets.

I hope everything is going well for you, again please accept my sincere thanks for your help.

Very Truly Yours
